Dial installation in Manchester,* by J. W. Catchpole, 6-34.
Latest telephone news from, by "Telephony's" special London correspondent, 4-22, 9-22, 13-28, 18-21, 26-26.
Exhibits at convention, Interesting (Nat. conv.), 17-52.

F

Financial:
Class A companies reports for April, 4-23; May, 8-31; June, 13-23; July, 18-19; August, 22-30; Sept., 26-30.
Earnings of Associated Telephone Utilities Co. show increase, 8-32.
Earnings of A. T. & T. Co. for first six months of 1931, 4-23.
Improvement in general conditions of larger companies shown, 22-31.
Lincoln (Neb.) company makes good report, 8-31.
Northwestern Bell makes fair report for first six months, 4-30.
Statistics of Class A Independent companies for 1921 to 1930, 4-25.

Fire alarms:
Handling fire alarms in small town, by Mrs. Katherine White, 11-24.
Method of notifying firemen, by Geraldine Cleaver, 15-22.
Methods of notifying firemen by operators in small office, 19-18.

Foreign:
England and Germany connected with 23 telephone circuits, 17-22.
Experimental service between Tangier (Morocco) and Europe, 20-28.
First dial exchange in Colombia, S. A.,* by A. H. Hackett, 3-34.
Hawaii's new inter-island service, 25-26.
Important link of Argentina's long distance system completed, 9-28.
Preparations to link Bulgaria and Greece by telephone, 15-27.
Seizure of telephone system by Spanish government urged, 25-36; withdraw bill to acquire I. T. & T. Spanish property, 26-38.
Statistics regarding telephones of Canadian provinces, 15-30; in Portugal, 21-34.
Telephone development in Shanghai, China, 10-25.
Telephone development in Siam,* by Walter Buchler, 7-18.
Telephone news from foreign lands, 8-26, 20-25, 24-28.
Telephones in Hongkong, China,* by Walter Buchler, 12-22.
Terms announced of International T. & T.—Ericsson agreement, 4-44.
Toll line construction in Colombia, S. A.,* by Rogers Case, 14-16.
Toll service officially opened in Colombia, S. A., 19-17.
Transpacific telephone service to Hawaii,* 24-21.

Franchises:
Chicago ordinance approved by committee, 1-32; by city council, 4-32; by mayor, 6-29; Bell pays quarterly compensation, 10-32.

G

Getting business:
Idea for increasing toll revenues,* 2-21.
Ideas for toll service in dull months, 7-23.
Goodrich properties, Investigation of, 2-25.

I

"I wonder why" of an observing traveling telephone engineer,* by Ray Blain, 3-22, 4-20, 5-22, 9-30, 10-23, 11-22, 12-25, 13-22, 14-31, 15-28, 16-35, 19-20, 20-23, 21-30, 23-23.

Illinois:
Activities of association,* by A. J. Parsons, 22-26.
"Business" convention of Independents,* (Nat. conv.), 17-15.
Modern service at Princeville,* by H. T. McCaig, 11-32.
Satisfying every subscriber at Assumption,* by H. A. Seamark, 7-38.
Sparta common battery exchange,* by V. A. Moscow, 16-66.
Telephone convention "unusual," by Stanley R. Edwards, 22-19.
Walnut and Spring Valley exchanges modernized,* by H. T. McCaig, 7-30.
Independent pioneers, Annual meeting of (Nat. conv.), 17-32.

Indiana:
Efficient system in Cambridge City,* by Paul D. Myers, 26-42.
Investigation of Goodrich properties, 2-25.
Hagerstown has new exchange,* by C. F. Sanders, 16-56.
Stromberg-Carlson equipment installed in Flora exchange,* by C. F. Sanders, 10-40.
International: America in a world neighborhood,* by R. E. Pattison Kline, 2-14.
Investment for economy at Pittsfield, Ill., Diversity of,* 24-29.

Iowa:
Central Iowa Telephone Co.'s quick growth,* by J. M. Mitchell, 2-38.
Spencer exchange destroyed by fire,* 3-30.

K

Kentucky:
"Dial tone" now in Elizabethtown,* by L. L. Ruggles, 20-28.

Kansas:
Handling present situation in,* by A. R. MacKinnon (Nat. conv.), 17-48.
Kellogg board for Wamego,* by Wm. C. Strehl, 9-40.

L

Line construction, Some hints on, by L. M. Harrington, 12-21.

M

Maintaining your telephone property,* by H. A. White, 11-29.

Mergers: Western Union and Radio Corporation in service merger, 13-41.
See Purchases.

Michigan: Company brings modern service to Chesaning,* by J. L. Trevillion, 3-40.

Minnesota:
Commission approves St. Paul merger, 5-23.
Started with one telephone in store at Chaska,* by Jay Houghtaling, 12-46.
Strowger P-A-X to serve First National Bank of St. Paul,* by A. C. Stratton, 19-38.

Missouri:
Bethany now common battery,* by E. R. Sears, 10-38.
Holds its annual convention,* by Stanley R. Edwards, 21-19.
New equipment installed at Cabool,* by J. P. Galligan and P. Winemiller, 19-30.

N

National association directors meet,* (Nat. conv.), 17-35.

Nebraska:
Dial equipment in service at Wisner,* by A. C. Stratton, 8-40.
Supreme Court sustains powers of commission, 2-30.
Why telephone service costs remain up, 15-26.

Nevada: Fallon installs new switchboard,* by H. A. Arth, 25-35.

Personnel problems and public relations, by Thos. H. Laine, 1-14.

Erwin. Wohr

Plant:
Annual conference of plant men held.* (Nat. conv.), 17–43.
Bill's declaration of independence, by Layton E. Meadows, 1–18.
Building or rebuilding the underground,* by Robert B. Potts, 15–23.
Circuit analysis—a fascinating game,* by D. H. Townsend, 8–19.
Confessions of a telephone porch climber, by Elmer Everetts, 25–18.
Cooperation between plant and traffic,* by Louise Pohlmeyer, 14–25.
Eavesdropping problem on rural lines,* by B. C. Burden, 6–14.
Improved method of cord testing,* by Harry Chapman, 16–37.
Influence on service sales,* by M. T. Caster, 2–14.
Repairman or trouble-shooter? by John A. Bracken, 3–24.
Saved disconnects and net station gains, by H. N. Faris, 4–18.
Securing freedom from cable trouble, by R. R. Rex, 10–30.
Some hints on line construction, by L. M. Harrington, 12–21.
Splicing line with single tube sleeve,* by Layton E. Meadows, 9–27.
Telephone circuit power measurements,* by Arthur L. Albert, 13–14.
Telephone wires and tree trimming,* by Harry C. Hyatt, 8–23.
Testing with rectifier type meters,* by B. C. Burden, 15–19.
The plant man's responsibility,* by Leo K. Farnan, 6–20.

Poles:
New standards for wood poles covering ten classes, 7–40.
Treated pine poles show increase in 1930 over 1929, 6–43.
Wood pole specifications contained in new folder, 11–36.

Posture is important to health, Proper,* by K. S. Perrin, 10–26.

Private branch exchanges: Current supply,* by John A. Bracken: Use of A. C. to charge battery (ctd.), 1–22, 4–20; installing and operating Tungar rectifier, 2–20; other battery charging rectifiers, 3–21; use of ampere-hour meters, 4–20; use of water in storage cells, 5–20; use of sulphuric acid, 6–22, 7–23; cost of operation, 8–21; maintenance of storage battery, 9–29, 10–23, 11–22, 12–25, 13–20, 14–30, 15–28, 16–34, 19–18; cadmium test of storage cells, 20–21, 21–28; end cell control of battery E. M. F., 22–24; care of out-of-service battery, 23–24; charging the battery from the central office, 24–22, 25–20, 26–24.
Latest in private branch exchanges,* by T. G. Martin, 5–28.

Problems of our industry during year,* by A. H. Mellinger, 23–25.

Program service:
Conference on program service held,* (Nat conv.), 17–37.
Hotel program service ruled as used for profit, 6–30.

Public relations:
And personnel problems,* by Thos. H. Laine, 1–14.
The road to good public relations,* by W. B. T. Belt, 20–14.

Toll center operator's responsibility, by Cecelia B. Johnson, 11–20.
Training methods for good operators,* by Helena T. Sherman, 23–29.
What operators want to know, by Mrs. Mayme Workman, 1–17, 2–17, 3–20, 4–17, 5–19, 6–19, 7–22, 8–21, 9–21, 10–19, 11–21, 12–18, 13–17, 14–22, 15–18, 16–33, 17–16, 18–16, 19–16, 20–16, 21–27, 22–18, 23–19, 24–20, 25–17, 26–23.

Trans-Canada system:
Completion expected this year, 1–21.
New section cut into use, 5–24.
Opened from Atlantic to Rockies, 7–40.
Winnipeg-Vancouver section of line opened, 25–36.

Transmission: Telephone circuit power measurements,* by Arthur L. Albert, 13–14.
Transoceanic communication facilities,* by Henry Nicholson, 20–34.

U

Underground cable:
Building or rebuilding the,* by Robert B. Potts, 15–23.
Construction of Pacific Coast,* 26–22.
From New York to Omaha, Neb., 5–18.
Investigate insect damage to cables in Siam, 15–28.

W

Washington: Has fine annual convention,* 2–18.
West Virginia: New ownership rehabilitates St. Marys plant,* by L. M. Hayes, 15–31.
Wired Music:
Asks New York commission to authorize leased wires, 6–29.
Company ordered to lease lines, 10–31.
Wisconsin:
Legislation proves greater rule over utilities, 3–32.
State-wide investigation, 6–24.
Wood, Organisms which attack,* by C. M. Tilley, 18–14.
Work is turned into play,* by Martha Gwin Kiser, 8–30.
